10     Subject:   Information disclosure statement under 37 CFR §1.56

Dear Sir/Madam,

15     This is an Information Disclosure Statement in accordance with the duty to disclose information material to patentability under 37 CFR §1.56. The applicant wishes to make of record the documents listed on the accompanying form PTO/SB/08.

20     Since this IDS is filed before the mailing date of the first Office action after the filing of a request for continued examination under § 1.114., consideration of the information disclosure statement is hereby requested according to 37 CFR §1.97(b).

25     The cited document (CN1145898C) was cited by a Chinese patent

examiner during the examination of the Chinese version of the above-identified application (Chinese office action mailed 04/27/2007 for Chinese Patent application 200410061717.3) and discloses a method capable of expanding a multi-language character display, specially a  
5 method for displaying multi-language characters on job platform of a single language family, and is characterized in that said character display processing method utilizes a common interface to take out the character elements correspondent to indexed sequential file in a defined literal pool according to the language selected by user so as to display  
10 characters belonging to a language family in the file, and can add any one new interface language at any time, and has no need of modifying a program in a common interface again.

According to the requirement set forth in 37 CFR §1.98, a copy of  
15 each cited reference and its English language abstract is included to fulfill the concise explanation requirement.

It is respectfully requested that the examiner can consider the documents listed on the accompanying form PTO/SB/08 and that it be  
20 made of record in the application. The applicants sincerely hope that the examiner initials the cited references on the form and that a copy of the initialed form be sent to the applicants with the next communication from the examiner.
